

SDG Goal 11

Sustainable cities and communities

SDG Target 11.b

By 2020, substantially increase the number of cities and human settlements adopting and implementing integrated policies and plans towards inclusion, resource efficiency, mitigation and adaptation to climate change, resilience to disasters, and develop and implement, in line with the Sendai Framework for Disaster Risk Reduction 2015-2030, holistic disaster risk management at all levels

SDG Indicator 11.b.1

Number of countries that adopt and implement national disaster risk reduction strategies in line with the Sendai Framework for Disaster Risk Reduction 2015–2030

Time series

1. General information on the time series

- Date of national metadata:
- National data: <http://sdg-indicators.de/11-b-1/>
- Definition:
- Disaggregation: Not available.

2. Comparability with the UN metadata

- Date of UN metadata:
- UN metadata: <https://unstats.un.org/sdgs/metadata/files/Metadata-11-0b-01.pdf>

3. Data description

4. Access to data source
