SDG Goal 1	**No poverty**
SDG Target 1.a	**Ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions**
SDG Indicator 1.a.1	**Total official development assistance (ODA) grants from all donors that focus on poverty reduction as a share of the recipient country's gross national income**
Time series	**ODA (gross disbursements) for poverty reduction**

1. General information on the time series

- Date of national metadata: 31 March 2021

- National data: http://sdg-indikatoren.de/en/1-a-1/

- Definition: The time series measures the sum of disbursed official development assistance (ODA) from Germany for poverty reduction in developing countries. Official development assistance (ODA) is defined as aid provided by official agencies that promotes and specifically targets the economic development and welfare of developing countries. For ODA flows, data on the sector of destination are recorded using 5-digit codes so called purpose codes.
ODA for poverty reduction comprises ODA to basic social services (basic health, basic education, basic water and sanitation, population programmes and reproductive health) and developmental food aid. Basic social services and development food aid are defined using the following purpose codes:
- Basic Education (CRS codes 112xx)
- Basic Health (CRS codes (122xx)
- Water Supply and Sanitation (CRS codes 140xx)
-Multisector aid for basic social services (CRS code 16050)
- Development Food Aid (CRS code 52010

- Disaggregation: Not available.

2. Comparison with global metadata

- Date of global metadata: April 2020

- Global metadata: https://unstats.un.org/sdgs/metadata/files/Metadata-01-0a-01.pdf

- The time series is nominator for the calculation of the SDG indicator.

3. Data description

- ODA is the resource flows to countries and territories on the OECD Development Assistance Committee (DAC) List of ODA Recipients and to multilateral development institutions that are:
i. Provided by official agencies, including state and local governments, or by their executive agencies; and
ii. Concessional (i.e. grants and soft loans) and administered with the promotion of the economic development and welfare of developing countries as the main objective.
The DAC list of countries eligible to receive ODA is updated every three years and is based on per capita income.
